BOTTLE: 450 grams, 316mm green Bordeaux

CAPSULE: Complex

TASTING NOTES

Pale steely yellow with greenish highlights. It is bright and shows abundant tear. The work on lees brings an interesting complexity to the nose, showing high intensity fruit with a great presence of notes of peach, with flowers, pineapple and light citrus. Intense and very tasty on the palate. It has a remarkable structure, which leaves unctuous sensations perfectly integrated with a generous acidity which brings freshness. Important presence of fruit on the palate is perceived and leads to a fine finish and marked memory.
